

Lions Club of Berowra
***Heart of Craft and Art* show**

Prospective Stallholder Application Form

Name:	Contact phone number/s:
Address:	Email address:
Business name if applicable:	
Do you have public liability and/or workers' compensation insurances? If so, please include copies of your certificates of currency with this application form and have available on the day if your application is successful.	
Type of craft or art to sell on your stall: - please give as much detail as possible as it is to be assessed against other stallholders. Photos of items are welcome.	
What is an average price range of your items for sale?	
Will you have kits of your particular craft or art available for purchase? For example, a stall for crochet might have a favourite pattern with the materials to make it. If so, what price point might you sell it for?	
Would you like to demonstrate your craft or art during the day – from 11am-3pm. At this point we have one demonstration but it may be possible to have others depending on responses, available space, and the craft or art (ie someone would not be able to demonstrate pottery wheel throwing).	
Berowra Lions would like to run a stallholder competition based on the theme of the show <i>Heart of Craft and Art</i> . We would like the stallholder to create something that incorporates that theme. We are seeking interest from stallholders. Of course, this may only be applicable to certain crafts and arts. We thought it could be an interesting selling point and could be judged by visitors with a prize for the stallholder (yet to be decided). Is this something you would be interested in if your application is successful?	
Where did you see the Expression of Interest for <i>Heart of Craft and Art</i> show?	
Return this form via email or post to the address below by 27 February 2026.	
If your application is successful, you will be notified by email. The \$50 stallholder fee is to be paid into the Lions Club of Berowra bank account by Friday 13 March 2026.
